

# PhD School 2019

## Data protection

### Regarding our policy on processing of personal data

Based on your consent, we will collect, use, store and in all other ways process the following personal data: name, affiliation, phone number, and email address for the following purpose:

1) Administration within the MIRAI PhD school, 2) building a network between Japanese and Swedish researchers, and 3) manage inquiries effectively.

The legal basis for the processing of the above-mentioned personal data is your consent. You may withdraw your consent at any time by simply informing us that you wish to do so. If you withdraw your consent, we will immediately stop processing your personal data. We will thereafter delete your personal data unless we have a legal basis for keeping them.

### Transfer of personal data

In order to properly process the personal data mentioned above, we might transfer your personal data to Hiroshima University and J-PARC for the purpose of sharing information and improved administrative management. The names and affiliations of applicants may be transferred to their respective host institutions for internal use.

### Your rights as data subject

As a data subject, you have the following rights toward us:

- a) The right to request access to and rectification or erasure of your personal data
- b) The right to request restriction of processing concerning yourself or to object to processing
- c) The right to data portability
- d) The right to lodge a complaint with the Swedish Integrity Protection Authority and the Personal Information Protection Commission, Japan (<https://www.datainspektionen.se>, <https://www.ppc.go.jp/en/>)
- e) The right to withdraw your consent at any time, without affecting the lawfulness of processing of your personal data based on your consent before its withdrawal.

I have read and understand the conditions and consent to the above data handling policies.
