

# The 30th Hiroshima International Symposium on Synchrotron Radiation

Materials and Life Science using VUV-SX Synchrotron Radiation :  
Towards the future HiSOR-II project

Hiroshima University, Faculty Club  
March 3-4, 2026

Day1 March 3  
09:30am ~ 05:30pm

## 【Oral Session】

- Sidney Hecht  
Arizona State University, USA
- José Luiz S Lopes  
University of São Paulo, Brasil
- Takeshi Suzuki  
The University of Osaka, JAPAN
- Xue Han  
RIKEN, JAPAN

## 【Poster Session】 01:40pm~04:10pm

- Student Short Oral Session
- Poster Session  
Research results presentation

Day2 March 4  
09:00am ~ 02:30pm

## 【Oral Session】

- Asokan Kandasami  
University of Petroleum and Energy Studies, India
- Vijay Raj Singh  
Central University of South Bihar, India
- Yoshihisa Harada  
University of Tokyo, Japan
- Shinichiro Ideta  
Hiroshima University, Japan
- Ryo Yokogawa  
Hiroshima University, Japan
- Petra Fromme  
Arizona State University, USA
- Akifumi Higashiura  
Hiroshima University, Japan
